Dear Mr. McClain:

On behalf of the Bonne Ecole Elementary staff, students, and custodians, I would like to say thank you for your donation of the "Super Fresh" product to our school. Our custodians have been using it daily in all of our restrooms and this product has made a big difference! The restrooms have a fresh smell to them and, most importantly, they are very clean. Parents have commented on the improvement to the restrooms as well. We greatly appreciate your donation and hope to continue this partnership into the future.

Sincerely,

Kellie Ainsworth, assistant principal
