Dear Mr. Torres,

On behalf of the clients and staff of Bridge House please accept my sincere appreciation for your generous contribution of \_\_\_\_\_ on **6/18/2007** to the **Xmas In July Dinner**. With the loyal support of people such as you, we are making the difference that counts.

Your financial contribution is being put directly to work combating the destructive forces of drug and alcohol addiction in our community. This will bring the priceless gift of restored life, dignity and self-respect to those that have been barely surviving.

We thank you again for your very generous contribution and continuing support of our efforts. We cordially invite you to visit the facility whenever you may be in the vicinity.

For your records and tax purposes, the Bridge House tax I.D. number is 72-6027674.

May God bless you,

Richard "Buzzy" Gaiennie, LAC
