Dear Mr. Torres:

Thank you so much for your generous donation of 100 tickets to the students of *New Orleans Charter Science and Mathematics High School* to attend Wednesday's Hornet's game. These tickets were presented to some of our top academic and most improved students. For everything that makes *SciHigh* so special, we rely on donations from organizations like yours.

Thank you again, and we look forward to your continued support.

Sincerely,

Bridget D. Ramsey
Director/Principal

The Mission of The New Orleans Charter Science and Mathematics High School

The New Orleans Charter Science and Mathematics High School creates a safe yet rigorous environment for any interested student to master the science and mathematics skills essential for lifelong competence, and to grow as leaders and active citizens in our society
