Dear Mr. Torres,

Please find enclosed a thank you card from the students that attended the opening game of the Hornets

They were very excited and appreciate the opportunity to attend the game. If not for your generosity, many of these students would not have been able to see the game in person.

We appreciate your support. Please feel free to stop by for a visit. We would love to give you a tour.

Once again, thank you.

Sincerely,

A handwritten signature in cursive script that reads "Janet Gaudet".
