Julie,
Thanks for all your support on the JPPSS Dance Challenge...The Program was phenomenal. Lots of great feedback and comments.

This event took a lot of teamwork, planning, and hard work from the kids as well as the instructors. At the end of the day, it is because of people like you and SDT, that stepped up and support the Jefferson Parish Public School kids,--- which assisted in making this event--- "A Grand Success."

Please pass on our thanks to SDT family.

Thanks again for supporting the program.
Jay C.
