Dear Redfish Cup Sponsor:

SIDNEY

Thank you for your generous contribution to the St. Bernard Parish "Big Easy Redfish Cup Invitational" that took place July 31-August 2, 2009 at the Gulf Outlet Marina, Chalmette, La. With support from sponsors like you, we were able to produce a truly world class event.

We estimate that over 5,000 people attended the event over the three-day weekend. With ESPN filming the activities, St. Bernard Parish was able to show the nation what great fishing we have and what a great place it is to come and visit.

Your support helped make this world class fishing event successful. It is with heartfelt thanks that we express our appreciation.

Sincerely,

Craig Taffaro, Parish President
