Subject: Thank you

Sidney and Julie,

I just wanted to personally thank you all for contributing to "Year of the Teacher". We had our event last night and even though this was the first time an event like this was ever put on, we sold out and had over 1,000 teachers from the GNO there!

It was truly a success. Year of the Teacher is going to be going on throughout the year and into '09 with more successful events to come!

Again, thank you both and please call me if you have any questions or if there is ever anything I can do you SDT!

Glenn
