

Katrina Krewe

Pitching in for a Cleaner New Orleans!... Volunteer at www.CleanNo.org

March 20, 2007

Dear Jeff McClain:

On behalf of the entire Katrina Krewe, we would like to thank you for your generous donation of car litter bags for our Kids Against Trash school program. Your contribution has enabled us to mobilize thousands of local and national volunteers to join us in bagging and removing over 250,000 tons of Katrina debris from the streets of New Orleans. It is with your help that Katrina Krewe also continues to foster anti-litter awareness among residents, schools and businesses within the New Orleans area through our "Keep it Klean" campaign. To learn more about our various citywide projects please visit the Community link at our website www.CleanNO.org.

It is through these projects that we hope to make New Orleans cleaner, reduce the recurrence of litter, and encourage all citizens to maintain responsibility for their surroundings. Our economy depends largely on tourism, so we also want to make our city a more attractive place for people to visit.

We are confident that our city will greatly benefit from our program and that we will achieve our long-term goals of a cleaner New Orleans. Again, thank you for continuing to support us in this endeavor.

Sincerely,

Becky Zaheri and the Krewe of Katrina
